Thank you to so many wonderful collaborators who helped make this happen, including Seth Knopp, Catherine Stephan, John Burt and all the folks at Yellowhorn who made our winter residencies possible: Bryce Dessner, Aaron Dessner, Justin Vernon, Mary Hickson and all the folks at PEOPLE Festival 2018 that made that residency possible: the many students at SōSi who worked on these pieces as they came together: and the most supportive family and artistic family that fostered the work in so many ways. Enjoy the sounds that came from this 6 year journey!
