"You may be wondering why it is that you are getting such a high quality product for so little money. As you are no doubt aware, low priced products are very often of poor quality and usually result in someone being upset in some way.

"ARC Music products are mainly in the normal and some in the midprice range and our customers are only too pleased to purchase them at those prices due in part to the extraordinary quality of the music and detailed and extensive documentation in the CD booklets. Our customers are also aware that our artists are paid for their work and that we are always creating new and exciting products from all parts of the world.

"So, why is this product so inexpensive? "The answer? This is simply a way to promote our CDs and get them into the hands of millions of new people who have not heard our albums before *AND* to get them interested in our other high quality products - we hope we have achieved this and wish to thank you for purchasing this CD.

Please feel free to download our interactive digital catalogue of over 700 products of top quality international World & Folk Music from all over the world - experience the difference!

From the Executives and Staff of ARC Music

„Sie wundern sich vielleicht, warum Sie solch ein hochwertiges Produkt für so wenig Geld erhalten. Zweifellos sind Sie sich dessen bewußt, daß billige Produkte sehr oft von schlechter Qualität sind und gewöhnlich der eine oder andere Kunde sich darüber ärgert.

Die Produkte von ARC Musik sind größtenteils in normaler und mittlerer Preisklasse, und unsere Kunden kaufen sie sehr gerne zu solchen Preisen, zum Teil wegen der außerordentlichen Qualität der Musik und der ins Detail gehenden und ausführlichen Dokumentationen in den CD-Booklets. Unsere Kunden wissen auch, daß unsere Künstler für ihre Arbeit bezahlt werden, und daß wir immer wieder neue und aufregende Produkte aus allen Teilen der Welt kreieren.

Also, warum ist dieses Produkt so billig? Die Antwort? Dies ist einfach ein Weg, für unsere CDs zu werben und sie in die Hände von Millionen von neuen Leuten zu bekommen, die bis jetzt noch nichts von unseren Alben gehört haben, *UND* um ihr Interesse an unseren anderen hochwertigen Produkten zu wecken - wir hoffen, daß wir dies erreicht haben, und möchten Ihnen für den Kauf dieser CD danken.

Sie können unseren interaktiven Online-Katalog mit über 700 Produkten Internationaler Folklore und Weltmusik aus der ganzen Welt kostenlos herunterladen - erleben Sie den Unterschied!

"... what she delivers here, is charming." - The Independent, UK

EUCD1857 Music from Peru & Ecuador - Alpamayo • Midprice

"Alpamayo" is the name of one of the most beautiful snow covered mountains of Anash (Peru). The group Alpamayo was founded in 1984. By 1985 they had won the first prize in the South American folk festival "Festi 85" with a composition of their own. This album features music from various regions of Peru and Ecuador.

EUCD2138 Traditional Music from Bolivia - Ukamau • Midprice

The music of Ukamau is rooted in the cultures of the Quechua and the older Aymara who lived within the boundaries of present day Bolivia. Assimilating the music of the Spanish conquistadors without relinquishing their ancient culture, they created a new and vibrant music unequalled in its imaginative richness. Info in four languages, lyrics included.

EUCD2119 From the Heart of South America

- Kollasuyumanta Pacha - Sacambaya

Haunting *panpipes*, sweet-sounding *flutes*, together with indigenous *guitars, drums* and *percussion* - the full gamut of indigenous instruments and rhythms of the Andes, researched, revived and presented by the Bolivian group Sacambaya. Rich information about each of the pieces in four languages and lots of photos in the 28-page colour booklet.
