

ELEONORE

OPPENHEIM
HOME

Eleonore Oppenheim-bass and voice

Home was funded in part by a CAP Recording Grant from New Music USA.

Engineered, mixed, and produced by Stephen Griesgraber at Soft Landing Studio in Brooklyn, NY.

Mastered by Keith Milgaten.

Thank you to: Katie Meadows, mom and dad, and for their generous contributions: Laurie Harriton, Katchie Cartwright, and Ed Hourigan, all of the composers for donating their time and talents, and everyone else who contributed whose names I would never be able to fit in this tiny space.
