

English pianist **Roderick Chadwick** has recorded the second volume in a series which presents Messiaen's *Catalogue d'Oiseaux* coupled with works which are linked either in style or subject matter. This follows the well-received issue in October 2020 of the first volume, entitled 'La Mer Bleue' which included Book 1 of the *Catalogue*.

This double album is a continuation of Chadwick's journey through Messiaen's *Catalogue d'oiseaux*, programming it alongside an array of solo piano works that share its themes, atmospheres and inspirations. The latest issue features Books 2 through 5, including the cycle's great centrepiece 'La rousserolle effarvate' (The Reed Warbler), which evokes the sights and sounds of the Sologne region across a full day's span.
